About Us

Established in the year 2006, Amrut Enterprises is a noted supplier, trader, wholesaler and distributor of a wide range of chemicals. Based in Mumbai, Maharashtra, we are offering Aluminum Sulphate, Aluminum Sulphate Powder, Calcium Chloride, Hydroxide Lime Powder, Sodium Hypochlorite, Liquid Glucose, Toluene Chemical, IPA Chemical, Soda Ash Chemical, Citric Acid and Caustic Soda. This entire range of chemicals is sourced from trusted vendors of the industry. They use superior quality chemical compound to formulate the products as per set industry norms & standards. Therefore, our products are appreciated for correct chemical composition, heat stability, effectiveness, safe usage, and long shelf life.

We select our vendors on the basis of various parameters like market reputation, quality controlling process, financial condition, ability to meet bulk order, and timely delivery. All of our team members from various departments like procuring, sales, marketing, customer care, warehousing and logistic work in close coordination to achieve the goals of the organization. Our respected Proprietor "Mr. Amit Mehta" always guide, support and inspires us to serve the customers in the best possible manner. He also helps us to learn from day to day business and operation.
